- 4. <u>Damage and Destruction</u>. Licensor shall have no responsibility to Licensee in the event of any damage to, loss of, or theft of any personal property of Licensee or the Invitees during the License Period, and Licensee and the Invitees shall look exclusively to their own insurance coverage, if any, for recovery in the event of any such damage, loss, or theft, except to the extent such damage or loss was caused by the willful misconduct of Licensor.

5. <u>Insurance/Indemnity.</u>

(A) Upon the request of the Village, the Licensee shall procure and thereafter maintain such policies of insurance in such amounts and to such standards as directed by the Village in writing. Within five (5) calendar days of a request, Licensee shall provide Licensor with a certificate of insurance and endorsement, evidencing the required coverages. The insurance policies issued hereunder shall be issued by insurance companies licensed to do business in Illinois, with a general policyholder's ratings of at least "A-" and a financial rating of at least "Class VIII," in the most

Commercial General Liability covering Licensee against any claims arising out of liability for bodily injury, death, personal injury, advertising injury, and property damage occurring in and about the Property and otherwise resulting from any acts and operations of Licensee and the Invitees, with combined single limit of One Million and No/ 100 U.S. dollars (\$1,000,000.00) per occurrence and Two Million and No/ 100 U.S. dollars (\$2,000,000.00) annual general aggregate. Coverage shall include premises/operations liability, products/completed operation liability, cross liabilities/separation of insureds fire legal liability, host liquor liability, and contractual liability including coverage for insured contracts. Licensee shall consider its own insurance primary and shall not seek contribution from similar insurance being maintained by Licensor, except for Licensor's willful misconduct.
- ii. <u>Property Insurance.</u> Property coverage provided under a Special Form or "All Risks" policy that shall include coverage for flood and earthquake unless otherwise approved in writing by Licensor. The limit shall be in an amount of the full replacement cost value of Licensee's property (which shall include alterations, fixtures, personal property, machinery, equipment and vehicles owned/leased or used by Licensee) and include an agreed amount endorsement waiver and coinsurance limitation.
- iii. Other Coverage: Terms. Such other policy or policies as are deemed reasonably necessary by Licensor and directed by Licensor to Licensee to be included on the COI. The COI will also evidence that Licensor shall be notified thirty (30) calendar days in advance of any cancellation of any policy listed thereon. The COI shall name the Village as an additional insured. The COI shall be attached hereto as Exhibit C.
- (B) Licensee shall indemnify, defend, and hold harmless Licensor and its elected and appointed officials, officers, attorneys, agents and employees (individually the "Licensor Indemnitee" or collectively the "Licensor Indemnitees") from and against any and all claims, demands, liabilities, costs, damages, losses, penalties, fines, judgments or expenses, including reasonable attorneys' fees and costs of collection made or judicial or administrative actions filed that allege that a Licensor Indemnitee is liable to the claimant (other than to the extent caused by or arising from a Licensor Indemnitee's adjudicated recklessness or willful misconduct) by reason of: (i) any injury to or death of any person, or damage to or loss of property, or any other thing occurring on or about the Property or in any manner growing out of, resulting from or connected in any way with the use, condition, or occupancy of the Property that is attributable to Licensee, the Invitees or other Persons (defined herein) for whose conduct Licensee is legally responsible for; or (ii) Licensee's use and occupancy of the Property, except to such extent that any such claim is caused by or arises from the recklessness or willful misconduct of any Licensor Indemnitee; or (iii) any breach by Licensee under this Agreement. Except for Licensor or Licensor Indemnitees adjudicated recklessness and willful misconduct, Licensee waives any and all claims against Licensor Indemnitees and the Parties agree that it is the express intent of the Parties to shift all risk of loss or damage of the Property to Licensee. The scope of Licensee's indemnity obligation to Licensor shall include reimbursement for Licensor's reasonable attorneys' fees and costs incurred in connection with any indemnified claim.

- 6. <u>Assignment; Sublicensing</u>. The License granted hereby is personal to Licensee and shall not be assigned nor shall Licensee sublicense or otherwise permit or suffer the occupancy of any part of the Property by any third party without first obtaining the prior written consent of Licensor, which consent may be withheld by Licensor for any or for no reason.
- 7. <u>Alterations; Restoration.</u> No alterations may be made by Licensee to the Property without first obtaining the prior written consent of Licensor. Licensee shall bear all costs and expenses associated with performing any such alterations, including, without limitation, costs of construction and any increased operating costs resulting from such alterations. Any alterations shall become the property of Licensor upon the termination or expiration of this Agreement.
- 8. Additional License Issues To Be Resolved in Good Faith, Acknowledgments. The Parties acknowledge and agree that the Property is of such configuration and size, and that the License Period is for such a duration, that in the opinion of the Parties, it is not practical to enter a lease governing the relationship of the Parties relative to the Property. Rather, the Parties have entered into this Agreement and hereby grant the License as contemplated herein. As and when matters arise during the License Period that are not definitively addressed by the provisions of this Agreement, the Parties shall act reasonably and shall endeavor in good faith to adjust and resolve such matters. Licensee acknowledges that overnight parking is prohibited on State Street and in all Village owned or operated parking lots.

MEMO

From: Engineering Enterprises, Inc.

Re: Well No. 12 Equipment Removal and Inspection Project Bid Results and

Recommendation of Award - Agenda Supplement

Background

Well No. 12 is located near the southeast corner of Gast Road and Highbrook Avenue, just west of Hampshire High School and on the site of the Tamms Farm EWST. The well was constructed in 2008, and a pump and motor were installed in the well at that time. Due to the downturn in the economy and stalled residential development at that time, this equipment has never been utilized for water production and will need an associated water treatment plant for future usage. The recently completed Water Works System Master Plan identifies a plan for these associated improvements, which starts with removal and inspection of the pumping equipment to determine what components may be suitable for reuse. It is anticipated, due to prolonged inactivity, that many components will not be operable. This project will inform the next steps for making Well No. 12 operable at the appropriate time.

Due to the specialized nature of this work, proposals have been solicited and received from select local Contractors to construct this work.

Bidding Results

Three Contractors submitted proposals on January 6, 2025, and the total base bids received are as follows, with further details included in the enclosed Bid Tabulation:

Layne Christensen Company
 Midwest Well Services, Inc.
 Water Well Solutions, LLC
 89,489.00
 140,636.00
 197,264.00

The Engineer's Estimated Opinion of Probable Construction Cost for the Total Base Bid was \$117,750.00.

The Total Base Bid defines the lowest, responsible bidder for the project. Layne Christensen Company has the lowest bid amount, and their bid was reviewed and considered responsive. Layne Christensen Company is thus considered the lowest, responsive bidder.

Bidder Evaluation

Layne Christensen Company is highly qualified to complete this work. They drilled all of the active wells in the Village, including Well No. 12, along with the pumping equipment. They have also performed several well rehabilitation projects for the Village, including the most recent deep well rehabilitation project for Well No. 9. There have not been any significant performance issues with their previous work in the Village, and EEI has a very good working relationship with Layne.

Bid Cost Evaluation

There is \$400,00 in the FY24-25 budget for this project. The lowest total base bid was approximately 24%, or \$28,261, lower than the engineer's estimated construction cost of \$117,750.00.

Recommendation to Award

Based on the bid evaluation, EEI recommends that the Village award the project to Layne Christensen Company in the amount of \$89,489.00, as mentioned in the enclosed Recommendation of Award letter.

Re:

Hampshire 90 Logistics Park

Letter of Credit Reduction Request No. 2

Village of Hampshire

Mr. Hedges:

We have reviewed the Letter of Credit (LOC) reduction request for the Hampshire 90 Logistics Park as documented by the attached spreadsheet submitted by the Developer's Engineer.

We recommend a reduction of LOC No. 1042 for the above-referenced project in the amount of \$480,378.00. The new value of the LOC would be \$634,824.24.

The Letter of Credit was put in place by the Developer as a performance guarantee for the Public Improvements. The amount of the reduction is based upon the value of the improvements that have been completed to date. The new value represents 100% of the cost of the remaining improvements plus 10% of the completed improvements in addition to the Village's required 25% contingency.

If you have any questions or need additional information, please contact our office.
