Professional Engineering Services for Higgins Road Lift Station Rehabilitation Study

Village of Hampshire, Kane County, Illinois

Jeff,

We are pleased to submit the contract for Preliminary Engineering services for the Higgins Road Lift Station Rehabilitation Study. We have attached the agreement and supporting documentation for your review.

As we have noted, the Higgins Road Lift Station will be at capacity soon. Many lift station components are also at the end of there useful life. It is critical for the Village to plan for its replacement. The completion of this study will provide estimates of cost and an implementation plan.

Once again, thank you for this opportunity. If you have any questions, please do not hesitate to call.

Respectfully Submitted,
