Agenda Supplement

TO: President Reid; Board of Trustees FROM: Douglas Pann, Chief of Police

FOR: Village Board Meeting on February 1, 2024

RE: Nuisance Noise and Offensive Use of Property Ordinances

Background: The Village of Hampshire has neither a nuisance noise ordinance nor an offensive use of in place to address public concerns or complaints about excessive noise or noise that may interfere with legitimate business and recreational activities, depress property values, create public nuisances, and reduce the quality of life in the community.

Analysis: The Police Department responded to at least 40 noise complaints in 2023, 22 noise complaints in 2022, and 34 noise complaints in 2021. Most of these noise complaints are generated by loud music, boisterous parties, fireworks, or overnight operation of equipment outside. Officers responding to these calls for service in the community have thus far relied upon the goodwill and cooperation of the individuals creating the nuisances to resolve these issues. There have been numerous times in which the officers have been forced to walk away from a loud party or other nuisance noise complaint with no enforceable ordinance to resolve the issue, and officers have even been reminded of the lack of enforceable ordinance by those encountered on calls.

The proposed offensive use of property ordinances is complimentary and supporting ordinances to allow for the Village to hold property owners accountable for ongoing nuisance violations occurring on their properties. The offensive use of property ordinances expands the scope of enforcement potential beyond nuisance noise to include other boisterous behavior, dangerous conditions, or conditions detrimental to the public health, safety and/or welfare.

The proposed ordinances were modeled after similar ordinances in other communities which have been successfully enforced for years.

Recommendation: Staff recommends the approval of the proposed ordinance regarding unreasonable noise and offensive use of property.

AGENDA SUPPLEMENT

TO: President Reid and Village Board

FROM: Lori Lyons, Finance Director

FOR: Feburary 15, 2024 Village Board Meeting

RE: Resolution Waiving Bidding Requirement and accepting a Quote. from

Vafcon for Surge Protection Devices in the Thickening Building at the

Wastewater Treatment Plant

Background. Several years ago, the Village initiated a multi-year initiative to add surge protection devices in facilities within the utility systems. These devices are designed to protect equipment by minimizing the effects of power surge events.

Analysis. Vafcon is a long-term trusted partner of the Village and has provided electronic system design, repair and improvements throughout our utility facilities. For this reason, staff is requesting the board approve waiving the formal bidding requirement of this project which exceeds the \$25,000 threshold. Vafcon provided a quote for labor and materials to place equipment-saving surge protection devices in the Thickening Building at the Wastewater Treatment Plant at a cost of \$45,900 (Exhibit A incorporated in the Resolution that follows this agenda supplement). The Village FY24 budget includes more than \$165,000 for surge protection devices at the plant so we will be monitoring the overall expenditures in this line item knowing that this quote is \$5,045 over the FY project budget amount of \$40,855. After this expenditure, there will be \$49,935 remaining for additional SPD installations in the FY24 budget.

Recommendation. Staff recommends approval of the resolution that follows this document waiving the formal bidding requirements and accepting the quote from Vafcon for the purchase and installation of surge protection devices in the thickening building at the Village's wastewater treatment plan for \$45,900.00.

RESOLUTION NO. 24-XX

A RESOLUTION WAIVING THE FORMAL BIDDING REQUIREMENT AND ACCEPTING A QUOTE FROM VAFCON FOR SURGE PROTECTION DEVICES IN THE THICKENING BUILDING AT THE WASTEWATER TREATMENT PLANT FOR THE VILLAGE OF HAMPSHIRE

WHEREAS, THE Village of Hampshire, Kane & McHenry Counties, Illinois (the "Village") is a duly organized and existing municipal corporation created under the provisions of the laws of the State of Illinois and under the provisions of the Illinois Municipal Code, as from time to time supplemented and amended; and

WHEREAS, the Village has determined surge protection devices are needed in the Village's Thickening Building at the Wastewater Treatment Plant, and

WHEREAS, the Village Board approved expenditures of \$165,715 for surge protection devices in the FY24 sewer fund budget including the Thickening Building for \$40,855, and

WHEREAS, Vafcon submitted a quote attached hereto as Exhibit A and incorporated herein, for labor and materials to install surge protection devices for a cost of \$45,900, and

WHEREAS, 65 ILCS 5/8-9-1 provides that any work exceeding \$25,000 shall be performed pursuant to a contract that shall be competitively bid, except that such contract may be entered into by the proper officers without advertising for bids if authorized by a vote of two-thirds (2/3) of all the trustees then holding office; and

WHEREAS, in light of Vafcon's extensive knowledge of the Village's utility systems and satisfactory work completed in the past, the Village wishes to waive formal bidding for the purchase and installation of the surge protection devices in the Thickening Building, and

WHEREAS, the corporate authorities of the Village of Hampshire hereby accept and approve Vafcon's proposal, Exhibit A.

NOW, THEREFORE, BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF HAMPSHIRE, KANE COUNTY AND MCHENRY COUNTIES, ILLINOIS, AS FOLLOWS:

SECTION ONE: The preambles of this Resolution are hereby incorporated into this text as if set out herein in full.

SECTION TWO: The corporate authorities of the Village of Hampshire hereby waive formal bidding for the labor and installation of surge protections devices in the Thickening Building at the Wastewater Treatment Plant.

SECTION THREE: The corporate authorities of the Village of Hampshire hereby accept Vafcon's proposal attached hereto as Exhibit A and incorporated herein by reference and authorize the purchase and installation surge protection devices in the Thickening building at the Wastewater Treatment Plant.

SECTION FOUR: SEVERABILITY. If any section, paragraph, or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Resolution.

SECTION FIVE: REPEAL OF PRIOR RESOLUTIONS. All prior Resolutions and Ordinances in conflict or inconsistent herewith are hereby expressly repealed only to the extent of such conflict or inconsistency.

Phone: 847-683-2181 www.hampshireil.org

# **Monthly Report**

TO: President Reid; Board of Trustees FROM: David Starrett, Streets Supervisor

FOR: Village Board Meeting on February 15, 2024

RE: Streets Report - January 2024

#### **Month Summary:**

This month was very challenging with long back-to-back days, heavy snowfall, freezing rain, negative 15 degree days, high wind gusts, and multiple truck breakdowns. At one point, three plow trucks (2003, 2006, 2017 International) were unavailable due to mechanical and electrical failures.

It is imperative that the Village builds a new public works building to keep everything under one roof protecting the approximately \$3 million worth of vehicles and equipment. This would be one of the greatest investments the Village could make not only for the protection of the vehicles and equipment but also for staff operations serving the public.

#### **Snow Storms:**

- 1. Janaury 6: 34"
- 2. January 9-10: 5"
- 3. January 12-14: 14+"
- 4. January 18-19: 34"
- 5. January 22: Freezing Rain
- 6. Janaury 23: Freezing Rain

#### **Utility Locates:**

- 1. 259 Normal
- 2. 10 Emergency

#### **Asphalt Usage:**

1. 2 tons of Cold PAtch

# **Tree Trimming:**

 Continued tree trimming in Hampshire Prairie - Completed west side of Prairieview Pkwy.

# **Work Performed Summary:**

- 1. Vehicle & Equipment Maintenance
- 2. Pothole Patching
- 3. Street Light Repairs
- 4. Storm Sewer Maintenance
- 5. Other miscellaneous projects/work
